2016
EXCLUSIVE!

SUICIDE SQUAD: THE SIX FLAGS FRIGHT FEST EXPERIENCE

Suicide Squad: The Six Flags Fright Fest Experience will transform the Park's DC UNIVERSE area into DC's Midway City, where some of the "Worst Heroes Ever" from the film *Suicide Squad* will be roaming the streets.

Darkness and chaos will reign as some of DC Comics' most famous Super-Villains will be found among the mass destruction from the film. State-of-the-art digital imagery and fiery special effects will create an inferno as buildings burst into flames and creatures attack from every angle. "It feels good to be bad" at *Suicide Squad: The Six Flags Fright Fest Experience*.

THE RUINS

Marauders have set up camp on the outskirts of the city. Beware of their deadly survival instincts.

EXILE HILL

The dead have risen and are looking for new souls to take on this dark and sinister hill. Located on top of hill by Sky Tower.

TERRORTORY TWISTED

The Screampunk District has been transformed into the biggest scare zone ever where steam-spewing mechanical beasts relentlessly hunt down their victims.

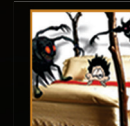

DEMON'S DOOR

Welcome to HELL...Once you enter, be prepared for your mind and body to be completely taken over by the evil spirits that await you. Located in Main Gate area.

ZOMBIE XING

Beware of the undead who will try to steal your bodies as they make their way from one haunting field to another. Located between Golden Bear Theater and Wascal's.

NIGHTMARES - A TWISTED FANTASY

This evil nightmare has never been so edgy as your favorite bedtime stories take on a new and twisted tale. Located between Viper and Katy's Kettle.
